Rapid development of technology and communication has contributed directly to the learning and teaching activities. Demand for mobile applications is growing as smartphone technology evolves. Therefore, Perpustakaan Sultan Abdul Samad has taken the initiative to develop a mobile application namely known as PSAS UPM Mobile Application.

The purpose of this mobile application is to ease users to access information and services provided by PSAS quickly and easily. The main features of this application are: Access to the Library Catalog; Access to User Accounts; Ask a Librarian; Links to Library Resources; News and Notices related to the Library.

The application provides several menus and sub-menus such as KOHA WebOPAC, PSAS Discovery@Lib, Quick Links, Ask a Librarian, News & Notices, Maps & Contacts and Library Account.

How to install PSAS UPM Mobile Application:

1. Visit the link <https://mobile.upm.edu.my/>
2. Find PSAS UPM, then tap Google Play (Android) or App Store (iOS) icon.
3. It will automatically direct to Google Play (Android) or App Store (iOS)
4. Tap the 'Install' button

The graphic features a red and white color scheme. At the top left is the PSAS logo, which includes a book icon and the text 'PSAS'. To its right, the text 'PSAS UPM Mobile Application' is displayed in a large, bold, black font. Below this, a smartphone displays the application's main menu, which lists various services with right-pointing arrows: 'About Sultan Abdul Samad Library', 'PSAS Official Website', 'KOHA WebOPAC', 'PSAS Discovery@Lib', 'Quick Links', 'Ask a Librarian', 'News & Notices', 'Maps and Contacts', and 'My Library Account'. The phone's status bar at the top shows the time as 4:18 pm. Below the phone, the text 'Stay Connected to Sultan Abdul Samad Library, Universiti Putra Malaysia' is followed by 'Now available on Android/iOS' and buttons for 'GET IT ON Google Play' and 'Download on the App Store'. A QR code is provided with the instruction 'Scan the QR code to download'. At the bottom, a grid of nine icons represents the application's features: an information icon for 'About Sultan Abdul Samad Library', a magnifying glass for 'PSAS Discovery@Lib', a document icon for 'News & Notices', a globe for 'PSAS Official Website', a chain link for 'Quick Links', a location pin for 'Maps & Contacts', a book icon for 'KOHA WebOPAC', a speech bubble for 'Ask a Librarian', and a person icon for 'My Library Account'. The footer contains the text 'PERPUSTAKAAN SULTAN ABDUL SAMAD'.
